music composition

## ABOUT ME

I am a passionate and versatile music composer with a wide range of expertise across various genres. With a strong emphasis on storytelling, I infuse my compositions with a unique blend of musical styles, from Orchestral to Future Bass, drawing inspiration from my Brazilian roots. My musical journey began at the young age of 7 in Rio de Janeiro, Brazil, where I honed my skills on instruments such as the guitar, piano, and drums for around 13 years.

## WORK EXPERIENCE

### TV Composer

- Writes and composes music for TV Globo, the biggest media conglomerate in Latin America, and Telemundo. Works include Brazilian series and telenovelas such as "Dona do Pedaco", "Amor de Mae" and "Salve-se quem puder".

### Film Composer

- Composer, Dialog Editor, Sound Designer for independent films.
- Works include "Lipstick on a pig" (Independent Short Awards Best Script Finalist, INDIEX Film Fest Best Short Script Finalist) and "Celeste".

### Music Producer - Universal Music Brazil

- Hired by Universal Music Brazil as a Music Producer.
- Wrote and produced songs for UMG label pop artists that adds up to 10 million plays in streaming music platforms, such as Spotify and Deezer.

### Music Mind

- Worked at Music Mind, a music library company based in Los Angeles, California.
- Administrative work, including copyright registration, spreadsheet metadata maintenance, PRO registration, and other necessary administrative and organizational tasks.
- Assisted with metadata tagging and keyword classification
- Organized music and playlists for the music library
- Assisted with creative music searches.
- Wrote music for the library

### Musician

- Performed in TV shows, radio stations and festivals in Brazil as a guitarist, drummer and keyboard player.
- Worked as a Studio Musician for several recording sessions in professional recording studios.
